

**J. CAGE - *Four Walls***

VII (solo voce)

Testo di **Merce Cunningham**

Sweet love sweet love  
my throat is gurgling  
the mystic mouth  
leads me so defted  
defted  
my throat is gurgling  
the mystic mouth  
leads me so defted  
and the deep blach nightingale  
turned willowy  
and the deep blach nightingale  
turned willowy  
by love's tossed treatment  
be refted
